

Quicken for Windows Conversion Instructions

Quicken for Windows 2013–2016

Web Connect to Direct Connect

Introduction

As **Central Credit Union of Florida** completes its system conversion, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive. To complete these instructions, you will need your **eBranch Login User Name and Password** for the **Central Credit Union of Florida** website.

NOTE: Direct Connect may require registration. Please contact **Central Credit Union of FL** to verify your Direct Connect login information.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

Documentation and Procedures

Task 1: Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help** menu > **Search**. Search for **Backing Up Your Data** and follow the instructions.
2. Download the latest Quicken Update. For instructions to download an update, choose **Help** menu > **Search**. Search for **Update Software** and follow the instructions.

Task 2: Deactivate Your Account(s) At **Central Credit Union of Florida** on or after **March 31, 2016**.

1. Choose **Tools** menu > **Account List**.
2. Click the **Edit** button of the account you want to deactivate.
3. In the **Account Details** dialog, click on the **Online Services** tab.
4. Click **Deactivate**. Follow the prompts to confirm the deactivation.
5. Click on the **General** tab.
6. Remove the financial institution name and account number. Click **OK** to close the window.
7. Repeat steps for each account you wish to deactivate.

Task 3: Re-activate Your Account(s) at **Central Credit Union of FL** on or after **March 31, 2016**.

1. Choose **Tools** menu > **Account List**.
2. Click the **Edit** button of the account you want to activate.
3. In the Account Details dialog, click on the **Online Services tab**.
4. Click **Set up Now**.
5. Use **Advanced Setup** to activate your account.
6. Enter **Central Credit Union of FI** and click **Next**.
7. If presented with the Select Connection Method screen, select **Direct Connect**.
8. Type your Direct Connect **User ID** and **Password** and click **Connect**.
9. Ensure you associate the account to the appropriate account already listed in Quicken. You will want to select **Link to an existing account** and select the matching accounts in the drop-down menu.

IMPORTANT: Do **NOT** select **Add to Quicken** unless you want to add a new account to Quicken. If you are presented with accounts you do not want to track in this data file, select **Ignore – Don't Download into Quicken**.

10. After all accounts have been matched, click **Next**. You will receive confirmation that your accounts have been added.
11. Click **Done** or **Finish**.

Thank you for making these important changes!
