

Mobile Banking Quick Setup

1. Go to the Apple App Store or Google Play Store on your cell phone or tablet.
2. Download and install the FREE Central Credit Union Mobile Banking app by searching for CCUFL in the search bar.
3. You must now register your device before you begin using the app. Open the CCUFL app from your device, read and accept the agreement, then log on with your username and access code that you use when logging into E-Branch.
4. You will get a notification that an additional security step is required. A One-Time PIN will be e-mailed to the primary account holder. It may take a couple minutes to receive this e-mail, please check your junk or spam folder if you do not see it in your inbox.
5. Once you get the One-Time PIN, go back to the CCUFL app and enter the 4 digits in the box of the verification screen.
6. That's it, you're done! If you want to use your account on multiple devices, follow the same steps. Please note that each device will require a new One-Time PIN.

If you require assistance in setting up the app, contact us at 850-474-0970 or 800-375-2235.
