Central Credit Union of Florida started as West Florida Central Credit Union in 1962. For more than 50 years, CCUFL has shown what a credit union really is... people helping people. CCUFL has strived to be a community credit union by incorporating the membership and values of the credit union that have come together to form Central Credit Union.

CCUFL’s field of membership now includes anyone living, working, or attending school in Escambia, Santa Rosa, Okaloosa, Bay, Walton, Washington, and Duval counties in Florida, bringing our assets to more than $150 million and our membership to more than 17,000.
